

Restaurant Burn Prevention

Do's

Avoid Steam - Open lids away from you.

Train all employees on the burn hazards of jobs.

Keep pot handles away from burner.

Use long sleeves to protect against splashing oil or liquids.

Use pot holders or gloves when handling hot stove items.

Have proper foot wear when working in a kitchen or handling hot items.

Reduce the amount of ice crystals in frozen foods before dropping in a deep fryer.

Slowly drop items into fryers to avoid splashing.

Ensure lids on coffee pots or hot water pots are secure when moving.

Don'ts

Rush when handling hot items.

Allow Pot handles or cooking utensils to stick out from stove fronts.

Allow pot handles to be over stove tops or burners.

Handle pot items with bare hands.

Walk behind others with hot items without warning them about you holding a hot item.

Throw frozen items into the deep fryer causing splashes.

Lift hot items from an unsafe positions like above the shoulders or across burners.

Quickly grab pot handles that have been near stoves or burners.

Analyze • Inform • Motivate

About DTRIC Insurance Risk Consulting Services

The Risk Consulting Services team at DTRIC Insurance is designed to help you reduce accidents and injuries in the workplace. Our approach involves our proven **A.I.M.** process that is easy to understand and simple to implement.

ANALYZE

We start by helping you understand and assess your current situation with services including:

- Safety audits
- Property and liability hazard surveys
- Accident investigation training
- Graphical analysis
- Job hazard analysis

INFORM

Keeping your team members informed is essential to success. We'll help you:

- Develop a safety committee
- Provide educational resources
- Work with your management team to develop their skills and knowledge of regulations
- Address loss trends with training on key issues
- Open communications within your organization

MOTIVATE

The more safety is promoted in your workplace, the more motivated your team members will be to make safety a top priority. Whether you motivate with promotions, incentives or recognition, we'll help you develop a results-driven method to encourage safety at all times.

DTRIC's Risk Consulting Services team will work closely with you to create a program to effectively improve your bottom line.
